

Validate Your Knowledge and Skills. Become a VMware Certified Professional.

Who should get VCP certified?

The VMware Certified Professional (VCP) program is designed for IT professionals (administrators and engineers) who install, configure, manage and optimize VMware solutions.

Why get VMware certified?

VMware Certifications are a badge of honor, designed to validate your expertise and get you where you need to be—proficient today and future-proofed for tomorrow. According to a recent survey¹ of 10,000 certified IT pros, 34 percent reported a salary increase as one of the benefits to becoming certified.
